Dan:

I received word from Lyndsey Nguyen, Health Physicist , USEPA Environmental Response Team, that she will be available to conduct a telephonic interview with you on Wednesday February 1, 2017, about questions you have related to our two sites in Niagara County.

This interview will be limited to our activities at the Niagara Falls Blvd and Holy Trinity sites. If possible we would like to look at completing this interview sometime between 9:30 am and noon on Feb 1st. Eric Daly and I will also be on the call. Let us know what phone number we should call you on. Hope this works into your schedule. Have a great weekend - Mike!
